

Personal Data Security Policy

Privacy Policy

The company "ARCHIMEDES MARINAS" (hereinafter "the company"), undertakes to respect your privacy when using the services in accordance with the European General Data Protection Regulation (GDPR 2016/679) and the current Greek legislation.

We respect all processing principles such as legality, objectivity, transparency, purpose limitation, data minimization, accuracy, time limitation storage, integrity, confidentiality and accountability. We protect and we reserve the rights of visitors to our websites to be informed, access, rectification, erasure, restriction of processing, portability, objection and non-automated profile-based decision-making.

You are free to visit our website without disclosing your personal information.

This Policy applies in conjunction with the terms of use and the terms and conditions concerns the disclosure to our company - on your own initiative - of personal data your data for purposes of cooperation and notification of interest in this regard with the services we provide.

Collection/Processing/Transmission of Personal Data

We collect and use legally the absolutely necessary according to the law your personal data for the execution of the contract, i.e. when you buy and you use our products and services, or for after-sales service, when for example you send us comments, questions or when you register with consent your contact details to inform you about new products on our behalf, offers and promotions or when you contact our offices or with our customer service staff and our call center either for purchases, or for expressing opinion/comments/complaints or when we receive documents, requests, orders, writs, mandates, etc. of third parties such as police, supervisory, prosecutorial, judicial, tax and other authorities.

The type of personal data we collect about you may include, if applicable, full name, postal/email address, date of birth, gender, landline/mobile phone and fax number, IP address and others information collected during your transactions, when you register to lists of accepted newsletters or through surveys (indicative and not restrictive enumeration).

If you choose to provide us with your personal information, please be assured that we will only process them for the certain purposes disclosed to you at the time of their collection and subject to special conditions or preferences that you may have indicated to us. Upon termination of the purpose of processing, our data deleted or anonymized, subject to applicable legislation.

Claims.

You may exercise your rights under applicable law or to submit any request or question regarding the protection policy the company's personal data and its electronic sending practices message to our email address or by contacting our physical address:

Kyrou str. 18, Messolonghi, 030200, Tel. 26310 25232, Department of Protection Personal Data.

You can also contact us at any time, either in writing or orally, and to get details and access, to correct, modify, delete, etc. the personal data that we may have collected and hold for you.

You can contact us at any time to delete or to remove your information, notify us of any changes to your information or let us know how you want to receive information about our products and services. On our part we will take all reasonable steps to confirm your identity before providing you with details about it with any personal information we may hold about you.

Information Security

The company applies appropriate technical and organizational protection measures of your personal data from unauthorized access, accidental loss and/or destruction. Our information systems have been redesigned to meet the requirements of the law to respect privacy by definition and by design (Privacybydesign/Privacybydefault).

Policy Review

The company reserves the right to cancel or modify this Privacy Policy at any time in view legislative changes. In any case, we will always publish updated this Policy on our website for transparency and information purposes our customers/partners.
